NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

TO: ALL PERSONS OR ENTITIES WHO PURCHASED OR OTHERWISE ACQUIRED THE PUBLICLY TRADED SECURITIES OF FCSTONE GROUP, INC. ("FCSTONE") FROM AND INCLUDING NOVEMBER 3, 2008 THROUGH AND INCLUDING FEBRUARY 24, 2009

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. YOUR RIGHTS MAY BE AFFECTED BY PROCEEDINGS IN THIS LITIGATION.

THIS LITIGATION HAS BEEN SETTLED FOR FOUR MILLION TWO HUNDRED AND FIFTY THOUSAND DOLLARS (\$4,250,000), SUBJECT TO THE APPROVAL OF THE COURT.

IF YOU ARE A CLASS MEMBER, YOU MAY BE ENTITLED TO SHARE IN THE PROCEEDS OF THIS SETTLEMENT. TO CLAIM YOUR SHARE OF THIS FUND, YOU MUST SUBMIT A VALID PROOF OF CLAIM AND RELEASE FORM POSTMARKED ON OR BEFORE AUGUST 16, 2013.

IF YOU DO NOT WISH TO BE INCLUDED IN THE CLASS AND YOU DO NOT WISH TO PARTICIPATE IN THE PROPOSED SETTLEMENT DESCRIBED IN THIS NOTICE, YOU MAY REQUEST TO BE EXCLUDED. TO DO SO, YOU MUST SUBMIT A WRITTEN REQUEST FOR EXCLUSION THAT MUST BE POSTMARKED ON OR BEFORE JUNE 11, 2013.

This Notice of Pendency and Proposed Settlement of Class Action ("Notice") has been sent to you pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the Western District of Missouri (the "Court"). The purpose of this Notice is to inform you of the proposed settlement of *Luman v. Anderson, et al.*, No. 4:08-cv-00514-C-W-HFS (the "Litigation") and of the hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the settlement as set forth in the Stipulation of Settlement among Plaintiffs and Defendants, dated as of February 8, 2013 (the "Stipulation") on file with the Court.

This Notice is not intended to be, and should not be construed as, an expression of any opinion by the Court with respect to the truth of the allegations in the Litigation as to any of the Defendants or the merits of the claims or defenses asserted by or against Defendants. This Notice is solely to advise you of the pendency of the Litigation and the proposed settlement thereof and of your rights in connection therewith.

I. STATEMENT OF PLAINTIFFS' RECOVERY

The proposed settlement will result in the creation of a cash settlement fund in the principal amount of Four Million Two Hundred and Fifty Thousand Dollars (\$4,250,000) (the "Settlement Amount"), plus any interest that may accrue thereon (the "Settlement Fund").

The Settlement Fund, subject to deduction for, among other things, costs of class notice and administration and certain taxes and tax related expenses and for attorneys' fees and expenses as approved by the Court, will be available for distribution to Class Members. Your recovery from this fund will depend on a number of variables, including the number or

amount of FCStone publicly traded securities you purchased or otherwise acquired beginning on November 3, 2008 through and including February 24, 2009, and the timing of your purchases, acquisitions, and any sales. In the unlikely event that under the Plan of Allocation described below, Class Members who purchased or acquired 100% of the shares of FCStone common stock are entitled to a distribution and participate in the settlement, the estimated average distribution per share of FCStone common stock will be approximately \$0.33 before deduction of Court-approved fees and expenses. The recovery for options and Equity Futures Contracts cannot be accurately estimated. Historically, actual claim rates are lower than 100%, resulting in higher per share distributions.

II. STATEMENT OF POTENTIAL OUTCOME

The Class Representative and Defendants do not agree on the average amount of damages per share, if any, that would have been recoverable if the Class Representative prevailed on each claim alleged. Defendants deny that they are liable in any respect or that Plaintiffs, Class Representative or the Class suffered any injury. The issues on which the parties disagree are many, but include: (1) whether Defendants engaged in conduct that would give rise to any liability to the Class under the federal securities laws, or any other laws; (2) whether Defendants have valid defenses to any such claims of liability; (3) the appropriate economic model for determining the amount by which the prices of FCStone publicly traded securities were allegedly artificially inflated (if at all) during the Class Period; (4) the amount by which the prices of FCStone securities were allegedly artificially inflated (if at all) during the Class Period; (5) the effect of various market forces influencing the trading prices of FCStone securities at various times during the Class Period; (6) the extent to which external factors influenced the trading prices of FCStone securities at various times during the Class Period; (7) the extent to which the various false statements alleged in the Litigation were materially false or misleading and influenced (if at all) the trading prices of FCStone securities at various times during the Class Period; and (8) the extent to which the various allegedly adverse and omitted facts alleged in the Litigation were material, omitted, and influenced (if at all) the trading prices of FCStone securities at various times during the Class Period.

III. REASONS FOR SETTLEMENT

The Class Representative believes that the proposed settlement is a good recovery and is in the best interests of the Class. Because of the risks associated with continuing to litigate and proceeding to trial, there is a danger that the Class will not prevail on any of its claims, in which case the Class will receive nothing. Also, the amount of damages recoverable by the Class is challenged by Defendants. Recoverable damages in this case are limited to losses caused by conduct actionable under applicable law and, if the Litigation were tried, Defendants would assert that the decline in value of any Class Member's FCStone securities was caused by non-actionable market, industry, or general economic factors. Defendants also would assert that throughout the Class Period the uncertainties and risks associated with the purchase of FCStone securities were fully and adequately disclosed. The proposed settlement provides an immediate benefit to Class Members, and will avoid the years of delay that would likely occur in the event of a contested trial and appeals.

IV. STATEMENT OF ATTORNEYS' FEES AND EXPENSES SOUGHT

Plaintiffs' counsel have not received any payment for their services or expenses in conducting this Litigation on behalf of the Plaintiffs and the Members of the Class. If the settlement is approved by the Court, Plaintiffs' Lead Counsel will apply to the Court for attorneys' fees of 30% of the Settlement Fund and expenses not to exceed \$225,000, plus interest on said amounts, to be paid from the Settlement Fund. If the above amounts are approved by the Court, the average cost per share of common stock will be \$0.12. In addition, the Plaintiffs may seek up to \$10,000 for their time and expenses in representing the Class.

V. IDENTIFICATION OF PLAINTIFFS AND THE CLASS MEMBERS' ATTORNEY REPRESENTATIVES

For further information regarding this settlement, you may contact a representative of Plaintiffs' Lead Counsel: Rick Nelson, c/o Shareholder Relations, Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, Telephone: 800/449-4900.

VI. NOTICE OF HEARING ON PROPOSED SETTLEMENT

A hearing (the "Settlement Hearing") will be held on July 16, 2013, at 10:00 a.m., before the Honorable Howard F. Sachs, United States District Judge, in Courtroom 7B of the United States District Court, Western District of Missouri, Western Division, Charles Evans Whittaker Courthouse, 400 East 9th Street, Kansas City, MO 64106. The purpose of the Settlement Hearing will be to determine: (1) whether the proposed settlement, as set forth in the Stipulation, consisting of \$4,250,000 in

cash, should be approved as fair, reasonable, and adequate to the Members of the Class; (2) whether the proposed plan to distribute the settlement proceeds (the "Plan of Allocation") is fair, reasonable, and adequate; (3) whether the application by Plaintiffs' Lead Counsel for an award of attorneys' fees and expenses and the Plaintiffs' request for expenses should be approved; and (4) whether the Judgment, in the form attached to the Stipulation, should be entered herein. The Court may adjourn the Settlement Hearing from time to time and without further notice to the Class.

Unknown Claims include those claims in which some or all of the facts comprising the claim may be suspected, or even undisclosed or hidden. With respect to any and all Released Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Class Representative shall expressly waive, and each of the Class Members shall be deemed to have, and

The Class Representative shall expressly waive, and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable or equivalent in effect to California Civil Code §1542. The Class Representative and Class Members may hereafter discover facts in addition to or different from those which he, she or it now knows or believes to be true with respect to the subject matter of the Released Claims, but the Class Representative shall expressly and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, reckless, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. The Class Representative acknowledges, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the settlement of which this release is a part.

VIII. THE LITIGATION

This Litigation was commenced on July 15, 2008. On July 20, 2009, Electrical Workers Pension Fund, Local 103, I.B.E.W. and Thomas Lucas were appointed lead plaintiffs. On September 25, 2009, the lead plaintiffs filed an amended complaint asserting claims against Defendants for violations of §§10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder. On November 24, 2009, Defendants moved to dismiss the claims asserted against them on the ground that the amended complaint failed to state a claim for which relief could be granted. The Court granted in part and denied in part Defendants' motion on November 16, 2010. As a result of this order, lead plaintiffs Electrical Workers Pension Fund, Local 103, I.B.E.W. and Thomas Lucas lost standing to prosecute the Litigation. Defendants answered the amended complaint on January 21, 2011.

On March 4, 2011, the Court granted lead plaintiffs' unopposed motion to add Building Trades United Pension Trust Fund and Bruce Wells as named plaintiffs and an Amended Consolidated Complaint was filed on March 7, 2011 (the "Complaint").

On February 10, 2012, the Court granted in part and denied in part plaintiffs' motion for class certification, certifying a class of shareholders who purchased or otherwise acquired FCStone publicly traded securities on or after November 3, 2008 and sold those securities on or after February 24, 2009, and naming Building Trades United Pension Trust Fund as Class Representative. During negotiations leading up to execution of the Stipulation, however, the parties agreed to, and the Court certified, a revised Class Period which includes shareholders who purchased or otherwise acquired FCStone publicly traded securities from and including November 3, 2008 through and including February 24, 2009, and thereafter suffered an economic loss, as set forth in the Stipulation. In addition, on March 1, 2013, Electrical Workers' Pension Fund, Local 103, I.B.E.W. was dismissed from the case.

IX. CLAIMS OF THE CLASS REPRESENTATIVE AND BENEFITS OF SETTLEMENT

The Class Representative believes that the claims asserted in the Litigation have merit and that the evidence developed to date supports the claims asserted. However, Plaintiffs' Lead Counsel also recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Litigation against Defendants through trial and through appeals. The Class Representative also has taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Litigation, and the difficulties and delays inherent in such litigation. The Class Representative also is mindful of the inherent problems of proof required and possible defenses to the securities law violations asserted in the Litigation. The Class Representative believes that the settlement set forth in the Stipulation confers substantial benefits upon the Class. Based on their evaluation, the Class Representative and Plaintiffs' Lead Counsel have determined that the settlement set forth in the Stipulation is in the best interests of the Class Representative and the Class and, therefore, that it is

desirable and beneficial to the Class Representative, Plaintiffs, and the Class that the Litigation be settled upon the terms and conditions set forth in the Stipulation.

X. DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

Each Defendant has denied and continues to deny each and all of the claims and allegations of wrongdoing made in the Litigation and maintains further that they have meritorious defenses. Each Defendant has expressly denied and continues to deny all charges of wrongdoing or liability arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation, and Defendants contend that many of the factual allegations in the Complaint are materially inaccurate. Defendants also have denied and continue to deny, *inter alia*, the allegations that any false or misleading statements were made, that they had knowledge of or recklessly disregarded any alleged false or misleading statement or material omission, that the Class Representative, Plaintiffs, or the Class have suffered damage from any alleged false or misleading statement or material omission, that the prices of FCStone's publicly traded securities were artificially inflated by reason of alleged misrepresentations, non-disclosures, or otherwise, or that the Class Representative, Plaintiffs, or the Class were harmed by the conduct alleged in the Complaint or otherwise.

Nonetheless, Defendants have concluded that proceeding with their defense of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation. Defendants also have taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like the Litigation.

XI. TERMS OF THE PROPOSED SETTLEMENT

A settlement has been reached in the Litigation between Plaintiffs and Defendants, the terms and conditions of which are set forth in the Stipulation and the Exhibits thereto. The following description of the proposed settlement is only a summary, and reference is made to the text of the Stipulation, on file with the Court, for a full statement of its provisions.

The settlement consists of the total principal amount of Four Million Two Hundred and Fifty Thousand Dollars (\$4,250,000) in cash, that bears interest from the date of payment, pursuant to the terms of the Stipulation.

A portion of the settlement proceeds will be used, subject to the Court's approval, to pay attorneys' fees, to pay the Plaintiffs, the Class Representative and Plaintiffs' counsel their expenses in connection with the prosecution of the Litigation, to pay for this Notice and the processing of Proof of Claim and Release forms, and to pay Taxes and Tax Expenses. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed, according to the Plan of Allocation described below, to Class Members who submit valid and timely Proof of Claim and Release forms.

The effectiveness of the settlement is subject to a number of conditions, and reference to the Stipulation is made for further particulars regarding these conditions.

XII. THE RIGHTS OF CLASS MEMBERS

If you are a Class Member, you may receive the benefit of, and you will be bound by the terms of, the proposed settlement described in this Notice, upon approval of the proposed settlement by the Court.

If you are a Class Member, you have the following options:

1. You may file a Proof of Claim and Release form as described below. If you choose this option, you will share in the proceeds of the proposed settlement if your claim is timely, valid, and entitled to a distribution under the Plan of Allocation described below and if the proposed settlement is finally approved by the Court; and you will be bound by the Judgment and release to be entered by the Court as described below.

2. You may do nothing at all. If you choose this option, you will not share in the proceeds of the settlement, but you will be bound by any judgment entered by the Court, and you will be deemed to have, and by operation of the Judgment will have, fully released all of the Released Claims against the Released Persons.

3. If you do not wish to be included in the Class and you do not wish to participate in the proposed settlement described in this Notice, you may request to be excluded. To do so, you must submit a written request for exclusion that must be postmarked on or before June 11, 2013. You must set forth: (a) your name, address, telephone number, and your signature; (b) your purchases or acquisitions of FCStone publicly traded securities made during the Class Period and sales of

such securities and the dates, prices, and amounts of such purchase(s), acquisition(s), and/or sale(s); and (c) that you wish to be excluded from the Class. The exclusion request should be addressed as follows:

FCStone Securities Litigation
EXCLUSION REQUEST
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 8040
San Rafael, CA 94912-8040

NO REQUEST FOR EXCLUSION WILL BE CONSIDERED VALID UNLESS ALL OF THE INFORMATION DESCRIBED ABOVE IS INCLUDED IN ANY SUCH REQUEST.

4. If you do not make a valid and timely request in writing to be excluded from the Class, you will be bound by any and all determinations or judgments in the Litigation in connection with the settlement entered into or approved by the Court, whether favorable or unfavorable to the Class, and you will be deemed to have, and by operation of the Judgment will have, fully released all of the Released Claims against the Released Persons, whether or not you submit a valid Proof of Claim and Release form.

5. You may object to the settlement, the Plan of Allocation, and/or the application for attorneys' fees and expenses in the manner described in Section XVIII below.

6. If you are a Class Member, you may, but are not required to, enter an appearance through counsel of your own choosing and at your own expense, provided that such counsel must file an appearance on your behalf on or before June 11, 2013, and must serve copies of such appearance on the attorneys listed in Section XVIII below. If you do not enter an appearance through counsel of your own choosing, you will be represented by Plaintiffs' Lead Counsel: Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101.

XIII. PLAN OF ALLOCATION

The Net Settlement Fund will be distributed to Class Members who, in accordance with the terms of the Stipulation, are entitled to a distribution from the Net Settlement Fund pursuant to any Plan of Allocation or any order of the Court and who submit a valid and timely Proof of Claim and Release form. The Plan of Allocation provides that you will be eligible to participate in the distribution of the Net Settlement Fund only if you have a net loss on all FCStone publicly traded securities which were purchased during the Class Period.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of Allocation, Plaintiffs' Lead Counsel have conferred with their damage consultants. The Plan of Allocation reflects an assessment of the damages that they believe could have been recovered by Class Members had the Class Representative prevailed at trial.

In the unlikely event that there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, and as is more likely, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant will be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner will be deemed conclusive against all Authorized Claimants.

A claim will be calculated as follows:

Section 10(b) Claims for Common Stock (CUSIP: 31308T100)

The allocation below is based on the following price decline, as well as the statutory PSLRA 90-day look-back amount of \$2.70:

February 25, 2009 Price Decline: \$2.43

1. For shares of FCStone common stock purchased or acquired on or between November 3, 2008 through February 24, 2009, inclusive, the claim per share shall be as follows:

(a) If sold prior to February 25, 2009, the claim per share is \$0.

(b) If retained at the end of February 24, 2009 and sold before May 22, 2009, the claim per share shall be the least of: (i) \$2.43 (February 25, 2009 Price Decline), or (ii) the difference between the purchase price and the selling price, or (iii) the difference between the purchase price per share and the average closing price per share up to the date of sale as set forth in the table below.

(c) If retained, or sold, on or after May 22, 2009, the claim per share shall be the lesser of: (i) \$2.43 (February 25, 2009 Price Decline), or (ii) the difference between the purchase price per share and \$2.70 per share.

EQUITY FUTURES CONTRACTS

1. For Equity Futures Contracts on FCStone common stock purchased from November 3, 2008 through February 24, 2009, inclusive, and
 - (a) held at the end of February 24, 2009, the claim per contract is the difference between the price paid for the Equity Futures Contract less the proceeds received upon the settlement of the Equity Futures Contract;
 - (b) not held at the end of February 24, 2009, the claim per Equity Futures Contract is \$0.
2. For Equity Futures Contracts on FCStone common stock sold from November 3, 2008 through February 24, 2009, inclusive, the claim per Equity Futures Contract is \$0.

Note: The combined distribution from the Net Settlement Fund for the Put/Call Options and Equity Futures Contracts shall not exceed 3% of the Net Settlement Fund.

The date of purchase or acquisition or sale is the "contract" or "trade" date as distinguished from the "settlement" date.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net loss, after all profits from the purchase or acquisition of FCStone publicly traded securities during the Class Period (or, in the case of FCStone common stock, if held on May 22, 2009, the price of FCStone common stock on that date) are subtracted from all losses. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above will be conclusive against all Authorized Claimants. No Person will have any claim against the Class Representative, Plaintiffs, Plaintiffs' Lead Counsel, Defendants, Defendants' counsel, the Released Persons, any claims administrator, or any other Person designated by Plaintiffs' Lead Counsel based on distributions made substantially in accordance with the Stipulation and the settlement contained therein, the Plan of Allocation, or further orders of the Court. All Class Members who fail to complete and file a valid and timely Proof of Claim and Release form will be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the

Court), but otherwise will be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

XIV. PARTICIPATION IN THE SETTLEMENT

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY COMPLETE AND RETURN THE PROOF OF CLAIM AND RELEASE FORM THAT ACCOMPANIES THIS NOTICE. The Proof of Claim and Release form must be postmarked on or before August 16, 2013, and delivered to the Claims Administrator at the address set forth in Section XIX below. Unless the Court orders otherwise, if you do not timely submit a valid Proof of Claim and Release form, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Stipulation and the Judgment.

XV. DISMISSAL AND RELEASES

If the proposed settlement is approved, the Court will enter a Judgment which will dismiss the Litigation with prejudice. In addition, upon the Effective Date, the Class Representative and each of the Class Members, for themselves and for each of their respective officers, directors, shareholders, employees, agents, spouses, subsidiaries, executors, heirs, successors and assigns, and any other Person claiming (now or in the future) through or on behalf of them, and regardless of whether the Class Representative or any Class Member ever seeks or obtains by any means, including, without limitation, by submitting a Proof of Claim and Release form, any distribution from the Settlement Fund, will be deemed to have, and by operation of the Judgment will have, fully, finally, and forever released, relinquished, and discharged all Released Claims against the Released Persons and will have covenanted not to sue the Released Persons with respect to all such Released Claims, and will be permanently barred and enjoined from instituting, commencing, or prosecuting any such Released Claim against the Released Persons except to enforce the releases and other terms and conditions contained in the Stipulation or the Judgment entered pursuant thereto.

XVI. APPLICATION FOR FEES AND EXPENSES

At the Settlement Hearing, Plaintiffs' Lead Counsel will request the Court to award attorneys' fees of 30% of the Settlement Fund, plus expenses of up to \$225,000, in connection with the Litigation, plus interest thereon. In addition, the Plaintiffs may seek up to \$10,000 in expenses (including lost wages) in representing the Class. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses.

To date, Plaintiffs' counsel have not received any payment for their services or expenses in conducting this Litigation on behalf of the Plaintiffs and the Class. The fee requested by Plaintiffs' Lead Counsel will compensate counsel for their efforts in achieving the Settlement Fund for the benefit of the Class, and for their risk in undertaking this representation on a wholly contingent basis. Plaintiffs' Lead Counsel believe that the fee requested is within the range of fees awarded to plaintiffs' counsel under similar circumstances in other litigation of this type.

XVII. CONDITIONS FOR SETTLEMENT

The settlement is conditioned upon the occurrence of certain events described in the Stipulation. Those events include, among other things: (1) entry of the Judgment by the Court, as provided for in the Stipulation; and (2) expiration of the time to appeal from the Judgment or to move to alter or amend the Judgment, or the determination of any such appeal or motion in a manner to permit the consummation of the settlement substantially as provided for in the Stipulation. If, for any reason, any one of the conditions described in the Stipulation is not met, the Stipulation might be terminated and, if terminated, will become null and void, and the parties to the Stipulation will be restored to their respective positions as of April 29, 2012. In that event, the settlement will not proceed and no payments will be made to Class Members.
