

Plaintiffs' Counsel have not received any payment for their services in conducting this Action on behalf of Lead Plaintiffs and the members of the Settlement Class, nor have they been reimbursed for their out-of-pocket expenditures. If the Settlement is approved by the Court, Co-Lead Counsel will apply to the Court for attorneys' fees not to exceed 27-1/2 percent of the settlement proceeds plus expenses not to exceed \$350,000, both to be paid from the Settlement Fund. If the amount requested by counsel is approved by the Court, the average cost per ADS for Class Members who purchased CSG ADS on the New York Stock Exchange would be approximately \$0.38, and the average cost per common share for U.S. residents who purchased CSG securities on the Swiss Stock Exchange would be approximately \$0.03.

This Notice is not an expression of any opinion by the Court about the merits of any of the claims or defenses asserted by any party in this Action or the fairness or adequacy of the proposed Settlement.

I. NOTICE OF HEARING ON PROPOSED SETTLEMENT

A settlement hearing (the "Settlement Hearing") will be held on July 18, 2011, at 3:00 p.m., before the Honorable Victor Marrero, United States District Judge, in Courtroom 20B of the Daniel Patrick Moynihan United States Courthouse, Southern District of New York, 500 Pearl Street, New York, New York 10007. The purpose of the Settlement Hearing will be to determine: (1) whether the Settlement consisting of \$70,000,000 in cash plus accrued interest and income on the Settlement Fund should be approved as fair, reasonable, and adequate to the Settlement Class; (2) whether the Settlement Class should be finally certified; (3) whether the proposed plan to distribute the settlement proceeds (the "Plan of Distribution") is fair, reasonable, and adequate; (4) whether the application by Co-Lead Counsel for an award of attorneys' fees and expenses should be approved; and (5) whether the Action should be dismissed with prejudice. With respect to any and all Released Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Lead Plaintiffs shall expressly and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived to the fullest extent permitted by law the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

The Lead Plaintiffs shall expressly and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or international or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542. The Lead Plaintiffs and Class Members may hereafter discover facts in addition to or different from those which he, she or it now knows or believes to be true with respect to the subject matter of the Released Claims (including Unknown Claims), but the Lead Plaintiffs shall expressly, and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, grossly negligent, reckless, intentional, with or without malice, or a breach of any duty, law, or rule, without regard to the subsequent discovery or existence of such different or additional facts. The Lead Plaintiffs acknowledge, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was bargained for separately and is a key element of the Settlement of which this release is a part.

III. THE LITIGATION

On and after April 21, 2008, two lawsuits were filed in the United States District Court for the Southern District of New York as putative securities class actions on behalf of all Persons who purchased the securities of CSG during the period between February 15, 2007 and April 14, 2008, inclusive.

These actions were consolidated for all purposes into the Action by Order dated June 23, 2008. On July 7, 2008, the Court entered Plaintiffs' Joint Stipulation and Order Regarding Appointment of Lead Plaintiffs and Approval of Selection of Lead Counsel.

Lead Plaintiffs filed an Amended Complaint for Violation of the Federal Securities Laws (the "Complaint") on October 21, 2008. The Complaint alleged violations of §10(b) of the Securities Exchange Act of 1934 (the "Exchange Act"), Rule 10b-5 promulgated thereunder, and §20(a) of the Exchange Act. Defendants moved to dismiss the Complaint, which motion was opposed by Lead Plaintiffs. On September 28, 2009, the Court issued an Order granting the motion to dismiss for lack of subject matter jurisdiction. On October 5, 2009, the Court issued a Decision and Amended Order on the motion to dismiss, and ordered that Lead Plaintiffs may file a request for leave to amend the Complaint. Lead Plaintiffs made such a request for leave to amend, which Defendants opposed as futile. The motion was granted in part, and denied as to foreign purchasers of CSG common stock traded on the Swiss Stock Exchange, by Decision and Order dated February 11, 2010. On March 10, 2010, Lead Plaintiffs filed their Second Amended Class Action Complaint for Violation of the Federal Securities Laws (the "Amended Complaint").

Following the Supreme Court's issuance of its opinion in *Morrison v. Nat'l Austl. Bank Ltd.*, ___ U.S. ___, 130 S. Ct. 2869 (2010), by Corrected Decision and Order dated July 27, 2010, the Court dismissed the claims of LAMPERS and of all purchasers (including U.S. purchasers) of CSG common stock traded on the Swiss Stock Exchange, but did not certify the dismissal as a final order (so that this Settlement finally resolves the claims of LAMPERS and Class Members it represented). The parties agreed to attempt mediation before the Honorable Layn R. Phillips (Ret.). The parties attended a full-day mediation with Judge Phillips on November 4, 2010, but were unable to reach an agreement. Following further negotiations and a second full-day mediation with Judge Phillips, on January 6, 2011, the parties reached an agreement-in-principle to settle the Action. On March 7, 2011, the Settling Parties executed the Settlement Agreement, which is subject to the approval of the Court.

IV. CLAIMS OF THE LEAD PLAINTIFFS AND BENEFITS OF SETTLEMENT

Lead Plaintiffs and Co-Lead Counsel believe that the claims asserted in the Action have merit and that the evidence developed to date supports those claims. However, Lead Plaintiffs and Co-Lead Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Action against Defendants through trial and through appeals. Lead Plaintiffs and Co-Lead Counsel also have taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Action, as well as the risks posed by the difficulties and delays inherent in such litigation. Lead Plaintiffs and Co-Lead Counsel also are mindful of the defenses to the securities law violations alleged in the Action, as well as the current procedural posture of the case. Lead Plaintiffs and Co-Lead Counsel believe that the Settlement set forth in the Stipulation confers substantial benefits upon the Settlement Class. Based on their evaluation, Lead Plaintiffs and Co-Lead Counsel have determined that the Settlement set forth in the Stipulation is in the best interests of the Settlement Class.

V. THE DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

The Defendants have denied and continue to deny each and all of the claims and contentions alleged in the Action. The Defendants expressly have denied and continue to deny all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Action. The Defendants also have denied and continue to deny, among other things, the allegations that Defendants' public statements were deficient in any respect; that the Lead Plaintiffs or the Settlement Class have suffered damage; and that the price of any CSG securities were artificially inflated by reason of alleged misrepresentations, non-disclosures or otherwise.

Nonetheless, Defendants have concluded that further continuation of the Action would be protracted and expensive. The Defendants have, therefore, determined that it is desirable and beneficial to them that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation.

VI. TERMS OF THE PROPOSED SETTLEMENT

The amount of \$70,000,000 has been transferred to an interest-bearing escrow account under the control of the Escrow Agent. This principal amount of \$70,000,000 in cash, plus any accrued interest and income, shall constitute the Settlement Fund. A portion of the settlement proceeds will be used for certain administrative expenses, including costs of printing and mailing this Notice, the cost of publishing a newspaper notice, payment of any taxes assessed against the Settlement Fund, and costs associated with the processing of claims submitted. In addition, as explained below, a portion of the Settlement Fund may be awarded by the Court to Co-Lead Counsel as attorneys' fees and for expenses incurred in litigating the case. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed according to the Plan of Distribution described below to Class Members who submit valid and timely Proofs of Claim.

VII. PLAN OF DISTRIBUTION

The Net Settlement Fund will be distributed to Class Members who submit valid, timely Proofs of Claim ("Authorized Claimants") under the Plan of Distribution described below. The Plan of Distribution provides that you will be eligible to participate in the distribution of the Net Settlement Fund only if you have a net loss on all transactions in CSG securities during the Class Period.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of Distribution, Lead Plaintiffs' counsel have consulted with their damage consultant. The Plan of Distribution reflects an assessment of the damages that could have been recovered as well as Lead Plaintiffs' counsel's assessment of the likelihood of establishing liability for various periods of the Settlement Class, and as a result of the Supreme Court's decision in *Morrison*, whether U.S. purchasers of common stock trading on a foreign exchange would be able to recover at all.

To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

The total of all profits shall be subtracted from the total of all losses from transactions in CSG securities during the Class Period to determine if a Class Member has a claim. Only if a Class Member had a net loss, after all profits from transactions in CSG securities during the Class Period are subtracted from all losses, will such Class Member be eligible to receive a distribution from the Net Settlement Fund.

The date of purchase or sale is the "contract" or "trade" date as distinguished from the "settlement" date. The determination of the price paid per share and the price received per share, shall be exclusive of all commissions, taxes, fees, and charges.

For Class Members who made multiple purchases or sales during the Class Period, the first-in, first-out ("FIFO") method will be applied to such holdings, purchases, and sales for purposes of calculating a claim. Under the FIFO method, sales of shares during the Class Period will be matched, in chronological order, first against shares held at the beginning of the Class Period. The remaining sales of shares during the Class Period will then be matched, in chronological order, against shares purchased during the Class Period.

Defendants had no role in creating the Plan of Distribution, take no position with respect to the Plan of Distribution, and have no responsibility or liability with respect thereto.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

VIII. ORDER CERTIFYING A CLASS FOR PURPOSES OF SETTLEMENT

On March 24, 2011, the Court preliminarily certified a class for purposes of settlement only. The Settlement Class is defined above.

IX. PARTICIPATION IN THE SETTLEMENT CLASS

If you fall within the definition of the Settlement Class, you are a Class Member unless you elect to be excluded from the Settlement Class pursuant to this Notice. If you do not request to be excluded from the Settlement Class, you will be bound by any judgment entered with respect to the settlement in the Action against Defendants whether or not you file a Proof of Claim.

If you are a Class Member, you need do nothing (other than timely file a Proof of Claim if you wish to participate in the distribution of the Net Settlement Fund). Your interests will be represented by Co-Lead Counsel. If you choose, you may enter an appearance individually or through your own counsel at your own expense.

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY COMPLETE AND RETURN THE PROOF OF CLAIM THAT ACCOMPANIES THIS NOTICE. The Proof of Claim must be postmarked on or before August 1, 2011, and delivered to the Claims Administrator at the address below. Unless the Court orders otherwise, if you do not timely submit a valid Proof of Claim, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Settlement Agreement and the Final Judgment and Order of Dismissal.

X. EXCLUSION FROM THE SETTLEMENT CLASS

You may request to be excluded from the Settlement Class. To do so, you must mail a written request stating that you wish to be excluded from the Settlement Class to:

Credit Suisse Group Securities Litigation
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 808003
Petaluma, CA 94975-8003

The request for exclusion must state: (1) your name, address, and telephone number; and (2) all purchases and sales of CSG securities during the Class Period, including the dates of each purchase or sale, and the number and type of shares purchased or sold. YOUR EXCLUSION REQUEST MUST BE POSTMARKED ON OR BEFORE JULY 1, 2011. If you submit a valid and timely request for exclusion, you shall have no rights under the Settlement, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Settlement Agreement or the Judgment.

XI. DISMISSAL AND RELEASES

If the proposed Settlement is approved, the Court will enter a final Judgment. The Judgment will dismiss the Released Claims (including Unknown Claims) with prejudice as to all Defendants.

The Judgment will provide that all Class Members who have not previously validly and timely requested to be excluded from the Settlement Class shall be deemed to have released and forever discharged all Released Claims (to the extent members of the Settlement Class have such claims, including Unknown Claims) against all Released Persons.

XII. APPLICATION FOR ATTORNEYS' FEES AND EXPENSES

At the Settlement Hearing, Co-Lead Counsel will request the Court to award attorneys' fees not to exceed 27-1/2 percent of the Settlement Fund, plus expenses, not to exceed \$350,000, which were advanced in connection with the Action, plus interest thereon. Class Members are not personally liable for any such fees, expenses, or compensation.

To date, Co-Lead Counsel have not received any payment for their services in conducting this Action on behalf of Lead Plaintiffs and the members of the Settlement Class, nor have counsel been reimbursed for their out-of-pocket expenses. The fee requested by Co-Lead Counsel would compensate counsel for their efforts in achieving the Settlement Fund for the benefit of the Settlement Class, and for their risk in undertaking this representation on a contingency basis. The fee requested is within the range of fees awarded to plaintiffs' counsel under similar circumstances in litigation of this type.

XIII. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Settlement Agreement. Those events include, among other things: (1) entry of the Judgment by the Court, as provided for in the Settlement Agreement; and (2) expiration of the time to appeal from or alter or amend the Judgment. If, for any reason, any one of the conditions described in

the Settlement Agreement is not met, the Settlement Agreement might be terminated and, if terminated, will become null and void, and the parties to the Settlement Agreement will be restored to their respective positions as of January 6, 2011.

XIV. THE RIGHT TO BE HEARD AT THE HEARING

Any Class Member who has not validly and timely requested to be excluded from the Settlement Class, and who objects to any aspect of the Settlement, the Plan of Distribution, or the application for attorneys' fees and expenses may appear and be heard at the Settlement Hearing.
