Kessler Topaz Meltzer & Check, LLP Investigates Potential Claims on Behalf of Foreign Currency Purchasers

Kessler Topaz Meltzer & Check LLP is investigating potential claims on behalf of purchasers of Foreign Currency Instruments (Spot, Forward, Swaps, Futures, or Options).

About the Foreign Exchange Market

The foreign exchange market (forex, FX, or currency market) is a global decentralized market for the trading of currencies.

Alleged Wrongful Conduct

Kessler Topaz Meltzer & Check LLP is currently investigating potential claims on behalf of U.S. and Canadian individual and institutional traders of foreign currency and foreign exchange instruments, including FX spot transactions, outright forwards, and FX swaps. The investigation is focused on potential collusive manipulation by numerous banking institutions of foreign exchange transaction pricing, as well as direct manipulation of foreign currency pricing between certain banks and foreign currency traders.

If you have transacted in Foreign Currency Instruments, and would like to learn more about our investigation, please contact us today at 888-299-7706 or by email at info@ktmc.com.
