5. How much will I receive in the settlement?

The settlement shares will be distributed on a pro rata basis. The amount each settlement class member receives will depend on several factors, including:

- ❖ The number of valid claims submitted
- ❖ The number of shares purchased and sold
- ❖ The dates of purchase and sale
- ❖ The price paid for the shares and the price received upon sale

6. Can I send my claim form to Kessler Topaz?

8. I received a notice in the mail after I received the email/submitted my claim. Do I need to do anything else?

No. The information contained in the notice can also be found on the settlement website.

9. When will I receive my settlement consideration and how will I know if my claim has been accepted?

The claims administrator must process all claims before the settlement consideration can be distributed to eligible settlement class members. We estimate that this administration will take roughly nine months to a year to complete. The claims administrator will acknowledge receipt of your claim form. You will also receive correspondence from the claims administrator if your claim is eligible to receive a distribution from the settlement.

10. I submitted my claim but then never heard anything. Is my claim valid?

You should receive an acknowledgment from the claims administrator once your claim has been received. If you do not receive an acknowledgment from the claims administrator, you can send an email to info@strategicclaims.net or call toll free 1-866-274-4004 to inquire about the status of your claim. Once the administration is complete, the claims administrator will contact you with information regarding any distribution you are entitled to receive.

11. How will I receive my shares? How will I be notified of any action I need to take?

Once all claims have been fully processed and the Court authorizes distribution of the net settlement proceeds, settlement class members that are eligible for a distribution pursuant to the Court-approved plan of allocation and that will receive an amount of shares that is above the de minimis amount will receive correspondence from the claims administrator with details regarding how their shares will be distributed and what action, if any, is required to receive their shares.
