The *Microvast Holdings, Inc.* class action lawsuit was filed on behalf of those who purchased or otherwise acquired *Microvast Holdings, Inc.* ("*Microvast*") (NASDAQ: MVST) securities between April 1, 2025 and March 16, 2026, inclusive (the "Class Period"). Captioned *Leah Graham v. Microvast Holdings, Inc.*, No. 26-cv-05804 (S.D. Tex.), the *Microvast* class action lawsuit alleges that *Microvast* and/or certain of its officers and/or directors violated federal securities laws by making false or misleading statements and/or omitted to disclose material information.

If you lost money as a result of your *Microvast* investment and want to find out more about this action and your rights, fill out the form on this page or contact attorney Jonathan Naji, Esq. of KTMC by calling (484) 270-1453 or via e-mail at info@ktmc.com. Lead plaintiff motions must be filed with the court no later than September 21, 2026.

COMPLAINT ALLEGATION SUMMARY:

The complaint alleges that, throughout the Class Period, Defendants made materially false and/or misleading statements, as well as failed to disclose material facts about the company's business, operations, and prospects. Specifically, Defendants misrepresented and/or failed to disclose that: (1) *Microvast's* ability to reach its margin targets was impacted by inventory management issues and delays in commercial vehicle rollouts; (2) the company's planned expansion of its manufacturing in China was unable to be completed by the target date; and (3) as a result of the foregoing, Defendants' statements about the company's business, operations, and prospects were materially false and misleading and/or lacked a reasonable basis at all relevant times.

WHY DID MICROVAST'S STOCK DROP?

On March 16, 2026, *Microvast* announced disappointing financial results for 2025 and the first quarter of 2026. Specifically, *Microvast* reported that gross margin declined approximately 1% in the quarter, down from 36% the prior year, and that revenue saw a 15% year-over-year decrease. The company pointed to "regulatory shifts" and delays in customer platform ramp-up. On this news, *Microvast's* stock price fell more than 34%.

THE LEAD PLAINTIFF PROCESS:

The Private Securities Litigation Reform Act of 1995 permits any investor who purchased or acquired *Microvast* securities during the Class Period to seek appointment as lead plaintiff in the *Microvast* class action lawsuit. A lead plaintiff is a representative party that acts on behalf of other class members in directing the litigation. In order to be appointed lead plaintiff, the Court must determine that the class member's claim is typical of the claims of other class members, and that the class member will adequately represent the class. Your ability to share in any recovery is not, however, affected by the decision whether or not to serve as a lead plaintiff. Filling out the online form above or communicating with any counsel is not necessary to participate or share in any recovery achieved in this case. Any member of the purported class may move the court to serve as a lead plaintiff through counsel of his/her choice, or may choose to do nothing and remain an inactive class member.
